Blade Runners has been an excellent program for me and really good change for me. If it wasn't for you guys accepting me I still ^{would've been} unemployed a coach partner doing nothing going nowhere with my life

Bladerunners has been an achievement to me because it helped me in a long way like it got me motivated, changed my whole life the way I see it. If I didn't get into Bladerunners I would be probably in jail for a long time. So thank you for changing my life.

Bladerunners experience.

Wow, what an experience, this course has not only helped me find a job and get some of my certificates but it has set a pathway for my life. With out my chance in this course I wouldn't be going where im going right now. Its a free "set for life" lottery ticket that's a quante winner. I

Bladerunners has helped me in a way no other person or program could ever do. It gave me the skills I need to become a successful person in the workforce. I can now see myself become an independent self person. I can

Blade Runner

Blade Runner has changed my life for the good thank you
