## WANTED: LETTERS TO THE EDITOR

Do you have a comment or opinion on a recently-published article from the Mind's Eye? Can you tell us about an issue that you feel hasn't received any or enough public attention? Or maybe you have something to say about an issue in your school or community - either way, we want to know. Send your letters to the editor to [mindseye@nysa.bc.ca](mailto:mindseye@nysa.bc.ca) or to Mind's Eye newspaper, 290 Bastion St. Nanaimo, BC., V9R 3A4.

The Mind's Eye also has a facebook group online where staff and readers can join to create discussions and post comments on articles and events, and generate ideas related to the Mind's Eye, youth, and the wide world.
