

Volunteer :

If you are a community minded musician who would like to volunteer some time and expertise to give musical instrument instruction to youth who might not otherwise get the opportunity, please contact us.

We are also seeking musicians who have experience facilitating workshops!

Inspiration, reflection, creation, song!

TUNE iN

"MUSIC INSTRUCTION, CREATION,
PRODUCTION & PERFORMANCE FOR
YOUTH"

- get free musical instrument instruction!!
- perform music with your friends and make new ones!
- start up your own band!
- record music and shoot video with our experienced staff and volunteers!
- learn the basics of audio and video production!

The Info :

Join us every Sunday from noon to 4:30 at Nanaimo Youth Services Association's 1 Stop space (red door around the back) for an afternoon of music instruction, practice and performance.

We have a drumset, guitars, bass and keyboards, hand drums and a fully functional recording studio setup!

If you have your own instruments - bring 'em!

We start with a simple lunch and snacks, juice and coffee (fuel for inspiration!) and then get down to the business of music instruction, jamming, recording, writing or shooting video - in short, learning and creating!

All Youth between the ages of 13 and 26 are welcome!

Come participate, contribute and express yourself!

Nanaimo Youth Services Association is located at 290 Bastion St. in Nanaimo, BC.

The Music Personnel :

Lee Wilson

Lee Wilson is a local Hip-Hop and R&B Music Producer who has worked with artists from the U.S to Germany . He has spent the last 8 years working hard, blending his ever growing compositional skills with sample based elements to reinvent new songs from old.

His role with the TUNEiN program is to share the knowledge and inspiration he has cultivated over the years with all youth interested in learning to make beats and to record those ready express themselves through music. Lee is very passionate about all genres of music and is happy to work with any and all interested youth!

Jona Kristinsson

Originally from Iceland, Jona started singing in bands when she was 16. She found success early on, making Iceland's top 40 List and going on to be a radio DJ. In 1994 she moved to Canada where she played in many original bands both as a vocalist and drummer. A big step on the path for her happened in 1996 when she got a much sought after gig on a cruise ship. During this time Jona travelled all over the Caribbean, enjoying fun, sun and constant performing. Currently Jona performs with Wunderbread and Iris, two acclaimed West Coast bands and also teaches vocal technique at the "I Wanna Rock" school of music.

The Why :

...because...

...everyone has something to say...

We all have this creative energy inside us. Learning to express it is a great way for us to get to know who we are.

Some of the creative projects we want you to be a part of include:

CD Production

from scratch ideas to songs to a full CD, including graphics, layout and marketing.

Video Production

good music needs good video - also short films and documentaries.

Workshops

learn a new instrument, get the basics of production - explore!

Create a Band

magic can happen when the right people jam!

Live Concerts & Events

with our accomodating space and basic equipment, we can host concerts, youth events, dances and other functions.
